

Kid's Place
A Child Advocacy Center

Kid's Place is celebrating 20 years of serving abused children in Giles, Lawrence, Maury and Wayne Counties! For the past **20 years**, we have provided all of our services to an average of 300 child victims and their non-offending caregivers yearly, free of charge. Our free services include Forensic Interviews, Therapy, Family Advocacy, Forensic Medical Exams, and Preventive and Community Awareness. Kid's Place specializes in treating childhood trauma of sexual abuse, physical abuse, and exposure to meth, witness to domestic abuse, and witness to homicide. Our mission is *to help provide hope, help, and healing to abused children and youth through a multidisciplinary approach.*

April is Child Abuse Awareness Month and we need your help in bringing awareness to your community! That means, it is time for Pinwheels for Prevention and our Annual Benefit Ride. Pinwheels represent the awareness that ***Every Child Deserves a Healthy, Happy Childhood***. Please see the enclosed pricing sheet for partnership pricing and details.

A Kid's Place thanks you for your support of your child advocacy center to help provide help, hope and healing to children. Our services would not be possible without the help of our communities.
